THE INSTRUCTIVE ADVENTURES OF MR. J. ADOLPHUS BONDCLIPPER

"What a chump I've been to pay forty and fifty dollars for suits, when you can get such a beard for five!"

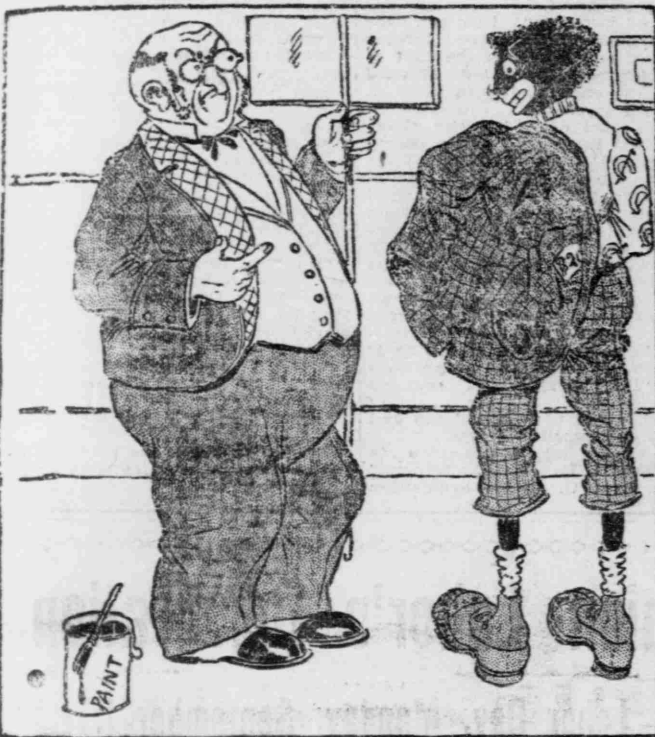

The suit swells when wet—

And shrinks when dry.

"By cracky! I'll have revenge!"

"Rastus, you can have this suit, if you do as I tell you."

Rastus keeps his contract.

(A little later)—"Golly! I cotched de brass ring dis time!"

"By heavens, I must have left my pocket book in that suit I gave Rastus!"
